## Who We Are

The nodebucket team consists of passionate entrepreneurs, designers, and developers with a combined 57 years of experience in their respective careers. Nodebucket LLC is focused on developing and delivering software solutions to individuals, businesses, and generally any organization with a business need. Our mission is to build solutions that we ourselves would love to use every day. This is what drives our process and ensures that everything that we do is high-quality. Our team works tirelessly in order to ensure that our customers are completely satisfied every time they use any of our products.
