ENTREPRENUER

On this page I will describe how she realized what she wanted to do as an entrepreneur.

DIG LABS

This page will talk about Tara taking the leap to start her business, the journey getting it up and running and the current status. This is also the page that will have the required link to another site.

NOTES: This is only a first draft. Color scheme is not decided. Fonts are not decided. Text on buttons is not final. Site will not be super wordy as I will use a larger font for text with fewer words than seen on this mock-up. The site will tell a story, from the landing page to the final page of where Tara started, to her journey of getting to where she is now. I plan to use some animations on page transitions.
